

ANTHONY ALLPORT WINE

A new wine in the stable for 2022, this is a blend of Sauvignon Blanc and its pink-skinned cousin Sauvignon Gris. The nose shows dried rose petals, patchouli, white pepper, and jasmine. It then opens to aromas of sweet pea, tinned pear and dried limes. The palate is rich with more pears, juicy acidity and a racy dry finish. Briny fruit, Turkish Delight and river stone linger on the palate calling for oysters and pan-fried white fish in olive oil.
