OUR WINES

Distinctly regional, with flavours that reflect and respect the fruits' origins, our wines are produced in the area around New Zealand's Mt Tapuae-o-Uenuku, and across the sea in Australia's renowned southern wine regions.

OUR COMPANY

We're a family. We are two couples and four mates with a shared belief in making wines that honour the land. We are hands-on in the vineyard and are passionate about sustainable viticulture practices.

WHY YOU'LL LIKE US

We make delicious, big-hearted wines that have a place at everyone's table.

Wine best served as it was created: In Good Company.

Because, good company is what good wine is all about.

OUR STORY

Our story started as two couples who became good mates while living and working in Marlborough, New Zealand. What brought us together in business was a shared goal to raise the standard of winemaking.

Eight years, an Australian relocation, four kids, four dogs, a whole lot of chooks and plenty of chaos later, we're grateful to be doing what we love and making wines that we believe in.

We are experienced winemakers who create high-quality, big-hearted wines that have a place at everyone's table. We place sustainable viticulture at the heart of our business, because in order for us all to live well, we must respect the land.

From our table to yours, surround yourself with good wine, good food, and Good Company.

CARPENTER ROCKS

MT GAMBIER // SOUTH AUSTRALIA

SAUVIGNON BLANC // PINOT NOIR
PINOT GRIS // CHARDONNAY

Hailing from the windswept south-eastern corner of South Australia, these true cool-climate wines are elegant and packed with robust flavours.

A rugged coastline, historic shipwrecks, soaring strong winds and green paddocks; this drop is truly a product of an untamed land and fertile soils.

CULLEY ROAD

MCLAREN VALE // SOUTH AUSTRALIA

SHIRAZ // GRENACHE // GSM // ROSE

Up a dirt track between Willunga and Silver Sands beach is Culley Road, home to some of the region's best Shiraz and Grenache grapes.

High elevation, powerful wind gusts, and rocky soil means small and concentrated fruit, rich in flavour. We pride ourselves on leaving our land better than how we found it. Because living soils create the best wines, and you need to try them for yourself.

TAPI

MARLBOROUGH // NEW ZEALAND

SAUVIGNON BLANC // PINOT NOIR
PINOT GRIS // CHARDONNAY

A bright and memorable drop, named after Mt Tapuae-o-Uenuku, the 'footprint of the rainbow'. Mt Tapi, as the locals call it, is a beacon that rises above the famous Marlborough wine region.

Our Wairau Valley vineyard beneath the mountain is home to true cool-climate viticulture and winemaking. All hands-on processes, all heart. You'll know it by the nose.
